SEWER TARIFF

APPLICABILITY

(C,I) RATES

A Customer Charge of \$8.78 for each bill per month.

A Volumetric Charge of \$9.02 per 1,000 gallons.

(I) MINIMUM CHARGE

\$8.78

CUSTOMERS WHO ARE NON-WATER USERS

All users of the Sanitary Sewer disposal service who are not users of the District's water service will be required to have a water meter installed on the private water system, at the District's cost, for the purpose of determining the sewer charge.

DELAYED PAYMENT PENALTY

The above tariff is net. On all accounts not paid in full within twenty (20) days of date of bill, ten percent (10%) will be added to the net amount shown. This delayed payment penalty is not interest and is to be collected only once for each bill where it is appropriate.

TAP FEE

Five Hundred Dollars (\$500.00).

(I) RETURNED CHECK CHARGE FOR UNMETERED CUSTOMERS ONLY

The District may not collect any fee greater than that charged to it by a banking institution and under no circumstances shall the fee collected by the District exceed \$25.00.

(C) **ROOF CONNECTIONS**

The connection of surface drains to the sanitary sewer system is prohibited by Rule 5.4.19 of the Public Service Commission's *Rules for the Government of Sewer Utilities*. After a thirty-day notice to disconnect, if the customer has not disconnected, the District shall bill at standard rates the inflow treated from such source. Said gallonage shall be computed by determining the square footage of the structure or source involved and the precipitation during the billing cycle period. The resulting gallonage quantity shall be the basis for this additional billing. Failure to disconnect said connections within six months of notice shall be basis for service termination.

METER TESTING REQUESTED BY CUSTOMER

A customer requesting that their water meter be tested will be charged Forty Dollars (\$40.00). If the meter is found to be more than 2% in error, the amount advanced shall be promptly refunded to the customer or credited to the customer's account. If the meter is not found to be more than 2% in error, the District shall retain the amount advanced by the customer for the test.

FAILURE OF CUSTOMER TO CONNECT TO SANITARY SEWER

Any customer who fails to connect to available sanitary sewer service shall be liable for a sewer bill based upon water consumption. Available service is defined in the Sewer Use Resolution as adopted and reviewed by the Lubeck Public Service District Board of Commissioners. The District shall notify such customer of said liability by certified mail sixty (60) days before billing shall commence.

(D) **LEAK ADJUSTMENT INCREMENT**

\$1.05 per 1,000 Gallons. To be used when the bill reflects unusual consumption which can be attributed to eligible leakage on customer's side of the meter. This rate is used to calculate consumption above the customer's historical average usage.

(C) **SECURITY DEPOSIT**

Not to exceed two-twelfths (2/12th) of the annual usage of the applicant's specific customer class or Fifty Dollars (\$50.00), whichever is greater. This fee may be changed by applicable statutory provisions.

ADMINISTRATIVE FEE

In the event the District collects payment in full of a delinquent water bill at the customer's premises in lieu of a discontinuance of service for nonpayment, an administrative fee of \$15.00 shall also be collected in addition to the delinquent water bill.
